

Who is Dave Davis?

Dave is an award-winning magician, who will entertain your guests! He's performed from coast to coast, bringing magic to his audiences in a stadium, in a home or anywhere in between. He brings the magic *up close and personal* to your guests, they see the magic happen right before their eyes and they will be *astonished!*

What kinds of occasions can Dave entertain at?

Birthday parties
Social functions
Party parties
Fundraising
Wedding receptions
You Name It

No matter what the occasion, if you want your guests to have a great time, Dave is the one for you!

How is this fun put together for my guests?

Each show is fit to your requirements. The fun can be *any length of time, any place* (home, mall, convention center, restaurant, etc...) *and any number of guests*

(be it a few or many). You're the one who decides on these.

What about something special for my guests?

For a small additional fee, *personalized balloon sculptures* are something your guests can take home. Not only are these balloons more personal than party hats or small bags of candy, they're something that your guests will remember for a long time.
